

High speed machine for polishing applications

Ideal for high-speed polishing, scrubbing and spray cleaning of hard floors. The balance is excellent and the solid aluminium construction provides durability and extended life.

The FM400 H is capable of a wide range of cleaning tasks: an ideal performance at an affordable price. Improved ergonomic features enables ease of use and transportation, such as the ergonomic handle, trip fuse, 15m cable and robust construction. The Offset deck is just 12cm high, enabling cleaning under furniture and radiators with ease.

- Price competitive: Our FM range are extremely competitively priced compared to all major competitors
- Nilfisk design: Our own Nilfisk brand enables cost savings and complexity reduction.
- Common accessories: Less complicated and easy to operate
- Improved features: Cable hook, big wheels, easy cable replacement, ergonomic handle and improved safety
- A complete range of optional accessories to suit specific tasks
