

Low speed for standard cleaning applications

The FM400 L machines have a 43 cm brush/pad diameter and are designed for medium-duty usage, comfortable and fatigue free operation, producing effective results. Scrubbing and spray cleaning and stripping of hard floors, for example, are handled efficiently and quickly.

The FM400 range is also very silent and can be used in hospitals. The safety button, dead man's switch, high visibility cable, IPX4, automatic click on/off put the FM400 at the edge of safety. A A metal frame, big wheels, bumpers and gloss paint, all merged together in a modern design, gives evidence to the robustness, durability and easy cleaning of the machine.

- Price competitive: Our FM range are extremely competitively priced compared to all major competitors
- Nilfisk design: Our own Nilfisk brand enables cost savings and complexity reduction.
- Common accessories: Less complicated and easy to operate
- Improved features: cable hook, big wheels, easy cable replacement, ergonomic handle and improved safety
- A complete range of optional accessories to suit specific tasks
